

Salvino

Salvino is a stylish yet cost-effective cubicle system for a wide and diverse range of washroom areas. With a large range of available laminate colours and the option to upgrade to polished aluminum ironmongery this attractive cubicle system is one of the most popular in our range for everyday washroom requirements. Salvino is a standard washroom cubicle system that can be adapted in many ways like a lot of Spectrum's ranges. Its available in MFC, HPL as well as SGL which is waterproof and therefore more durable. Call us today – let us know your requirements and we'll endeavor to get you the right package to meet your budget.
