

# Signet

Our Signet range is our most child friendly range yet. Signet cubicles are mid-height, come with large circular children's handles, have finger guards - everything a child needs. They are safe and tough whilst help develop independence. The Signet cubicle system is available with fully adjustable telescopic feet, has a wide range of colours available with a fully waterproof variation if required. A unique panel thickness of 32mm means it is a highly recommended product in high traffic areas.
