

# Solo

Solo is a fantastic cubicle system that is ideal for children. The Solo range has sloping door tops which are stylish, fun, and enhance adult supervision. This system is fast to install on site and is available in three different performance levels – MFC, HPL and SGL.

A popular choice for schools and nurseries, choosing this system couldn't be easier. With a massive selection of laminates available and our ongoing commitment to a bespoke service makes this an extremely versatile system.

The hooped head rail option available with this system adds more fun to the children's washroom environment and still allows adults access if necessary!
