

Sandace

A truly flexible vanity unit option; intensely hardwearing whilst exceptionally low maintenance. Sandace is the radical easy-to-clean option – totally water resistant and with high chemical resistance as well as having remarkably robust properties. There is no limit to what you can create with our Sandace range!

Offering a spectacular finish and impressive invisible jointing with a seamed and moulded washbasin option, who would want to go anywhere else?

FEATURES

- ULTRA HYGIENIC
- MASSIVE DESIGN FLEXIBILITY
- MINIMAL LEAD TIMES
- INVISIBLE JOINTING
- VERY LOW MAINTENANCE

REFERENCE

Spectrum 'Saffina' Range

Vanity Top:

Engineered from 13mm Corian® (or equivalent), non-porous homogenous solid surfacing to be formed to a 90°/3mm radius along the front edge leading to a 250mm front apron. Tops to be cut to suit washbasins and cut edges to be polished.

Finish: Groups 1-4 13mm Corian®.
Price will vary on group colour chosen

Vanity Carcase:

To be supported on an MR MDF substrate. All edges to be lipped in 2m impact resistant ABS colour coded lipping, or laminate edged.
Finish: Up to any two laminates from a Spectrum Cubicles approved laminate selector.

Fixings:

Panels fixed to carcase using concealed 'push-fit'/'lift-off' fixing clips with access panels. All other relevant fixings are included in the system package.

Optional Enhancements

- Integral upstand
- Stainless Steel Cantilever framework
- Vanity Top to be engineered from Quartz or Granite
- Integral Corian® washbasins, jointed and seamed into vanity top
- Complementary light pelmets
