

Siskin

Reputation and recommendations tell us that the SISKIN Range is one of Spectrum's greatest successes. Contemporary and extremely durable, brushed aluminium offers clean lines with smooth edge profiles and defined fittings. Noiseless door closure is achieved with Vorbas™ cushions and integral Grundmann® mortice locks give real quality and longevity to door closure and locking systems. Our Siskin Range is available with fully adjustable telescopic feet, comes in a wide range of colours and is available in a waterproof variation if required. With a unique panel thickness of 32mm, our SISKIN Range has proved to stand up to some of the most demanding of washroom environments – we're confident that you'll be more than satisfied with this masterpiece.
